

ALL INDIA OLYMPIAD

Conducted **IIT Madras** by Alumni of

India's Premier Science & Mathematics Olympiads for
School Students. Register your school now.

From Class
6-12

Conducted by
IIT Alumni

Cash Prizes
upto ₹ 1,00,000

The All India Olympiad provides a national platform for students to demonstrate their abilities, engage in competition with their peers, and acquire valuable experience. Participating enhances critical thinking, problem-solving, and analytical skills, fostering mastery of subjects and equipping students for future achievements.

IIT Madras Admission Scheme

IIT Madras has recently launched the 'Science Olympiad Excellence' (ScOpE) initiative, offering 2 seats per department for students who excel in national level Olympiads conducted by HBCSE.

Expert-Curated Questions

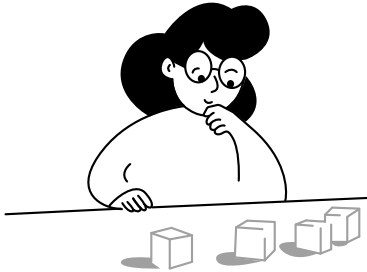

Question papers designed by IIT alumni guarantee high-quality, challenging assessments.

2

3

Flexible Scheduling & Examination Options

Schools choose from three exam dates, and all tests are conducted online and offline to suit your school's needs.

No Additional Preparation Materials

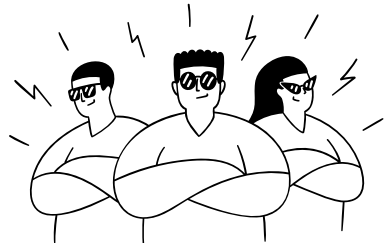

The syllabus mirrors your school textbooks; no extra books are required.

4

5

Recognition & Rewards

- Certificates for all participants.
- Medals for top performers per school.
- Cash prize pool up to INR 1,00,000
- Free olympiad preparation workshop by IIT teachers for top performers per class for every school.

Who Should Participate?

For Schools: Enhance your institution's academic profile by hosting a prestigious Olympiad. It's an opportunity to showcase your commitment to quality education and to stand out in the competitive academic landscape.

For Students: Whether you're a budding scientist or a mathematics enthusiast from Class 6-10 or an aspiring specialist in Class 11-12 (across Mathematics, Physics, Chemistry, Biology, and Astrophysics), AiO is tailored to challenge and nurture your abilities.

Exam Pattern

Level 1 - Objective Examination: (Online/Off-line Mode)

- **Science (aISO), Physics (aIPhO), Chemistry (aIChO), Biology (aIBO), Astronomy (aIAO):** A 2-hour examination with 60 questions - 48 MCQs with only one correct answer; +3 for correct answers, -1 for wrong answers) and 12 MCQs with one or more correct options (full marks awarded only if all correct answers are selected).
- **Mathematics Olympiad (AiMO):** A 3-hour examination featuring 30 questions, where each answer is either a single-digit number or a two-digit number in the range 00-99. There are no negative marks.

Level 2 - Subjective Examination: (Offline)

- A rigorous 3-hour test consisting of 6 problems.
- Only the top 100 from Level 1 are eligible to participate.
- Problems are designed to test deep conceptual understanding and advanced problem-solving skills.
